**HAY**

Noc Wall is an adaptable die-cast aluminium wall light with a faceted shade and a smooth powder coat finish. The rotating mechanism provides two points of adjustment and the main light is fixed into the wall-mounted bracket allowing the cable to hang freely from the light to be plugged into a wall socket. Noc Wall is a versatile light for every day use in both domestic and commercial settings.

It is supplied with a bulb and a two-metre cable with inline rocker switch. Noc Wall is available in dark grey and off white.
